

## Lone Working Policy

### 1. Introduction

1.1. Shirley Parish Council recognises that staff are required to work by themselves in the community without close or direct supervision, sometimes in isolated work areas or out of office hours.

1.2. Under the Health and Safety at Work Act 1974 and the Management of Health and Safety at Work Regulations 1999 Shirley Parish Council has a legal obligation to look after the health, safety and welfare of their employees and contractors. However, employees have responsibilities to take reasonable care of themselves and other people affected by their work.

### 2. Scope of the Policy

2.1. This policy applies to all situations involving lone working arising in connection with the duties and activities of Shirley Parish Council staff.

### 3. Definition

3.1. The Health & Safety Executive defines lone workers as “those who work by themselves without close or direct supervision”. This covers Shirley Parish Council’s employee, the Clerk, who is required to carry out his or her duties for all or part of his or her working day working in isolation from their home.

3.2. Lone workers also include:

- Those working at their main place of work where:
- Only one person is working on the premises
- People work separately from each other, e.g. in different locations.
- People working outside normal office hours
- Those working away from their fixed base where: One worker is visiting another premises or meeting venue; One worker is making a home visit to an individual; One worker is working from their own home.

### 3. Aims of the Policy

The aim of the policy is to:

- Increase employee awareness of safety issues relating to lone working.
- Ensure that the risk of lone working is assessed in a systematic and ongoing way, and that safe systems and methods of work are put in place to reduce the risk so far as is reasonably practicable.
- Ensure that appropriate training is available so that employees are able to recognise risk and to provide practical advice of safety when working alone.
- Encourage full reporting and recording of any incidents relating to lone working.
- Reduce the number of incidents and injuries to staff related to lone working.

- Does the workplace or task present a special risk to the lone worker?
- Is there a risk of violence?
- Travelling to site or meetings - what procedures are in place? Is the equipment safe for individual use?

## **6. Good Practice for Lone Workers**

6.1. During work hours, all staff leaving the workplace (or home) should leave the details of where they are going and their estimated time of arrival back with another party.

6.2. If, during the trip away, any plans change significantly this should be communicated back to the other party.

6.3. When meeting with contractors, arrangements must be made to meet in a public place and not in their home.

6.4. If a visit is being made to a member of the public in their home, another Councillor or the Clerk, must be informed of the visit and the approximate times.

6.5. Lone workers should have access to adequate first aid facilities and mobile workers should carry a first aid kit suitable for treating minor injuries with them.

6.6. Lone workers should have a mobile phone and other personal safety equipment where this is necessary.

6.7. All incidents must be reported to the Council. Employees / Members should ensure that all incidents, where they feel threatened or unsafe, are reported. This includes incidents of verbal abuse. If emergency assistance is required whilst out and about all employees should dial 999.

6.8. A Member of Staff is at liberty to refuse to meet with a Council Member, Contractor, Member of the Public alone, if they feel threatened or feel it would be inappropriate.

6.9. Whilst the Clerk of the Council's main place of work is their home, this is a private residence and, under no circumstances, should Councillors or Members of the Public attend the premises without prior approval from the Clerk.

## 7. Exemptions

7.1 Employees and volunteers are exempt from working alone in certain situations: Young persons under instruction in a fixed base (example work experience, helping with council tasks etc.) Where activities and work with substances/machinery could be hazardous to health.

This policy will be reviewed annually by Shirley Parish Council to ensure that it is relevant to working practice.
